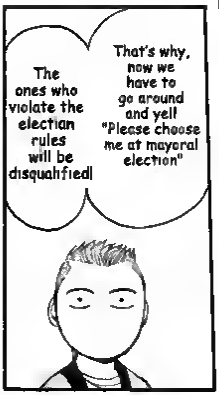
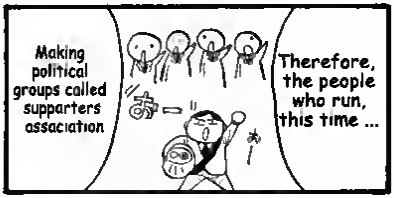
What is supporting associations ?!?
IDIOT
A group of people who will support sakamichi sensei in elections
Not so loud!
why



The ones who violate the election rules will be disqualified!
That's why, now we have to go around and yell "Please choose me at mayoral election"

There is a regulation in elections
If someone already announced his candidacy, he is banned from doing a campaign

Miss, IT'S serious! Someone leaves this thing!
hmm
In the group, they would gather the people who will support with their voices



Making political groups called supporters association
Therefore, the people who run, this time ...

LOOK! THERE'S ANTENNA HERE ...
DEFINITELY A BUG!
THAT'S RIGHT
You see, we are forbidden to say "choose this candidate in" the election, untill the bulletin officially announces mayor candidacy
